Resolution reviewing the reports on the working of District and Local Boards in Bengal during the year 1940-41.

GOVERNMENT OF BENGAL.

Department of Public Health and Local Self-Government.

Local Boards.

RESOLUTION—No. 461C. L.S.-G.

Calcutta, the 29th May, 1943.

READ—

The reports of the Commissioners of Divisions on the working of district and local boards in Bengal during the year 1940-41.

1. **District Boards.**—The number of district boards remained the same (*i.e.*, 26) as in the preceding year with a total of 692 members, of whom 448 were elected and the rest, including 84 officials, were appointed. The district board of Birbhum was reconstituted during the year under review. As in previous years, the district board of Darjeeling continued to be presided over by an official Chairman in the person of the Deputy Commissioner appointed by Government. The district board of Jessore was presided over by an appointed non-official, while the remaining district boards elected their own Chairmen.

The boards held altogether 398 meetings, of which 2 proved abortive for want of quorum and 24 meetings were adjourned.

The average percentage of attendance of members at meetings was the highest in Bogra (85·3) and lowest in Jalpaiguri (66·11).

2. **Local Boards.**—The total number of local boards in the Province decreased from 70 in the previous year to 59 in the year under review, by reason of the abolition of local boards in the districts of Bankura, Howrah, Faridpur and Tippera. The number of members consequently fell from 1,192 to 1,006, consisting of 642 elected and the rest, including 49 officials, nominated by Government.

3. **Union Committees.**—Takdah and Alipur Duars, both in the Rajshahi Division, were the only two union Committees. The administration of the latter is reported to have been unsatisfactory in the matter of conservancy work.

4. **Income and Expenditure.**—The total receipts of the district boards during the year under review, excluding opening balances, amounted to Rs. 152·88 lakhs as against Rs. 165·54 lakhs in the preceding year.

The total expenditure chargeable to current income decreased from Rs. 154·29 lakhs in the preceding year to Rs. 142·89 lakhs in the year under review.

5. **Education.**—The income and expenditure of the district boards under this head fell from Rs. 8·66 lakhs to Rs. 6·67 lakhs and from Rs. 23·29 lakhs to Rs. 20·19 lakhs, respectively, during the year under review.

The total number of upper primary schools maintained by the district boards was 658 attended by 29,368 boys and 4,946 girls against 433 schools with 21,278 boys and 2,559 girls in the previous year. The number of lower primary schools maintained by the Boards fell from 1,014 schools with 44,710 boys and 8,582 girls to 220 schools attended by 6,984 boys and 1,803 girls.

The number of upper primary schools aided by the boards also decreased from 9,538 with 376,973 boys and 97,271 girls to 6,675 schools attended by 272,879 boys and 59,285 girls. The number of aided lower primary schools decreased from 11,407 with 288,878 boys and 107,706 girls to 5,877 schools with 32,887 boys and 59,480 girls. The decrease in the number of primary schools maintained and aided by the district boards was due to the transfer of the responsibility for primary education to the District School Boards established under the Bengal (Rural) Primary Education Act, 1930, in a number of districts.

The number of middle schools maintained by the boards increased from 42 to 46 and the number of students attending them increased from 4,810 in the previous year to 5,471 during the year under review. The number of middle schools aided by the boards increased from 1,437 to 1,524 with a corresponding increase in the number of students from 144,433 to 157,867. As in the preceding years, no high school was maintained by any of the boards, but the number of such institutions aided by the boards increased from 20 to 27. The number of students attending them also increased from 4,206 to 5,371.

The number of industrial schools maintained by the boards was 5 as in the previous year. The numbers of industrial and other schools aided by the boards were 94 and 1,542, respectively, as against 83 and 1,162, respectively, in the previous year.

6. **Public Health and Medical Relief.**—The income and the expenditure of the district boards under this head (which includes sanitation and vaccination) were Rs. 19·65 lakhs and Rs. 43·35 lakhs, respectively, against Rs. 19·61 lakhs and Rs. 42·16 lakhs, respectively, in the preceding year.

The total number of dispensaries maintained by the district boards decreased from 721 to 699, but the expenditure incurred on them increased from Rs. 11·59 lakhs to Rs. 13·51 lakhs. The number of dispensaries aided by the boards increased from 682 to 733, but the amount of contribution decreased from Rs. 5·65 lakhs to Rs. 4·99 lakhs, perhaps due partly to the transfer of the management of some of them to the union boards and partly to the amalgamation of certain others. Government have been following a policy of making annual grants at the rates of Rs. 500 to each thana dispensary, and Rs. 250 to every village dispensary; but the responsibility for the maintenance of the dispensaries appears to have been thrown more and more on union boards and private managing committees. Although the district boards spent Rs. 1·26 lakhs more than in the preceding year on maintenance of dispensaries, the number of dispensaries maintained by them did not increase. This indicates that there was no appreciable improvement in the matter of provision of medical relief in the rural areas so far as the district boards were concerned. The matter requires greater attention from the district boards than it appears to have received.

Besides contributing half the cost of the Health Officers employed by the District Boards, Government paid a sum of about Rs. 11½ lakhs to the Boards for the maintenance of the rural public health organisation.

7. **Veterinary Charges.**—The income of the Boards under this head increased from Rs. 2,348 to Rs. 3,481, but the expenditure fell from Rs. 1,03,895 to Rs. 75,176, during the year under review, the decrease being due primarily to the provincialisation of the services of the Veterinary Assistant Surgeons.

8. **Civil Works.**—The income and expenditure under this head amounted to Rs. 23·98 lakhs and Rs. 62·80 lakhs, respectively, against Rs. 22·42 lakhs and Rs. 67·08 lakhs, respectively, during the previous year.

The mileage of metalled, unmetalled and village roads were 3,149, 21,492 and 34,412, respectively, against 3,127, 20,722 and 34,818, respectively, in the preceding year.

9. **Water-Supply.**—The total outlay on water-supply during the year under review was Rs. 6·21 lakhs as against Rs. 8·07 lakhs in the previous year. Of the total expenditure, Rs. 4·77 lakhs was under "Original works" and Rs. 1·44 lakhs under "Repairs".

The decrease of Rs. 1·86 lakhs in the total expenditure under this head was mainly attributable to reduced expenditure by the Mymensingh district board, which spent Rs. 1·44 lakhs less than in the preceding year. This decrease was, however, more apparent than real, because the utilisation of the loan of Rs. 4 lakhs previously sanctioned by Government for rural water-supply in this district had swelled the Board's figures of expenditure under this head in the preceding years. The abnormally low expenditure of Rs. 368 only under this head by the Noakhali district board calls for serious notice, as it indicates that the board did not pay proper attention to the important problem of water-supply in the district.

10. **Famine Relief.**—The expenditure under this head amounted to Rs. 84,615 against Rs. 7,04,332 in the previous year. The decrease was due to improved economic conditions in certain areas.

11. **General Remarks.**—Although the routine administration of the boards was generally successful, there was no striking achievement or progress to their credit in any sphere deserving of special notice.

This stagnation in the activities of the boards was due, not so much to any lack of interest or enthusiasm on the part of their members and executives, as to the financial difficulty which faced most of them and their failure to solve it in a proper and satisfactory manner. The members of the boards were, as a rule, keenly interested in all questions affecting public health and welfare, including the supply of good drinking water for which there was a very intense demand. But the boards were generally hampered by paucity of funds, which was accentuated by adverse economic conditions. The financial problem confronting the boards makes it imperative that they should husband their existing resources to the best possible advantage, by avoiding all wasteful and non-essential expenditure and by concentrating their energies on a wellplanned programme of work embracing only activities of the most essential character. The Commissioner of the Presidency Division has observed as follows :—

"It is obvious from the reports that the boards are handicapped by lack of funds: and it is impossible to escape the conclusion that this is the inevitable result of the policy of dissipating their energies over too many activities. It would appear necessary for them now to pursue a very conservative policy and to be careful to commit themselves to no avoidable expenditure involving the maintenance of staff; for it is inability to cut down their staffs when there is less money to spend that has involved the boards in difficulty."

The boards had to face various other problems and the most important of them related to public health, water-supply and communications. Government are aware that the existing rural public health organisation is far from adequate for coping with the manifold public health problems in rural areas. A comprehensive scheme for the reorganisation of the rural public health services was, therefore,

drawn up and it was proposed to give effect to the scheme in certain selected areas in the first instance; but the District Boards concerned having expressed their unwillingness to accept the scheme in all its details, no progress could be made in the matter, although requisite provision was made in the provincial budget for the purpose.

The problem of supply of pure drinking water in rural areas is one of considerable importance and urgency. In order to solve this problem satisfactorily within a definite period of time, Government took up the preparation of comprehensive schemes of water-supply for each district in co-operation with the district boards and the local water-supply committees set up for the purpose.

The proper maintenance of the tube-wells sunk at the cost of Government and the district boards, has become a difficult problem for most of the boards which have been made responsible for their maintenance. This problem is being examined by Government with the object of solving it in a satisfactory manner.

The attitude of most of the boards to their roads appears to be one of indifference, and there seems to be a general tendency on their part to reduce their expenditure under this head and to try to get extensive work on communications done at the cost of provincial revenues. In this connection the Commissioner of the Dacca Division has remarked :—

"There is no doubt that all Boards are keenly interested in all questions affecting public health, including the supply of good drinking water for which there is a very intense demand : the best recommendation which any member has for himself when seeking re-election is that his efforts and influence have secured an increase in the sources of water-supply in his constituency. I do not think that the improvement of communications makes anything like the same appeal to the rural population and that is probably the explanation of the apparent indifference of boards to their roads. On the other hand, both boards and individual members are anxious to get extensive work on communications done at the expense of provincial revenues".

It has been suggested that every district board should earmark a reasonable percentage of its income from road and the public works cesses for expenditure on communications, and this suggestion is commended to the consideration of all district boards.

12. The services rendered by the following gentlemen have been specially mentioned by the local officers and Government take this opportunity to thank them and all others who have assisted in the administration of local self-government during the year under review :—

Resolution reviewing the reports of Commissioners of Divisions on the working of union boards in Bengal during the year 1940-41.

GOVERNMENT OF BENGAL.

Department of Public Health and Local Self-Government.

Local Boards.

RESOLUTION—No. 462C.L.S.-G.

Calcutta, the 29th May 1943.

READ—

The reports of the Commissioners of Divisions on the working of the union boards in Bengal during the year 1940-41.

During the year under review the total number of union boards in the province was 5,125 as against 5,126 in the previous year. The decrease is due to the amalgamation of one union, with two neighbouring unions in the district of Noakhali on account of diluvion.

The total area covered by union boards was 58,500 square miles against 58,439 square miles of the previous year and the total population thereof was 42,266,131 against 42,055,143 of the preceding year.

2. **Franchise.**—For the past few years there has been a gradual increase in the number of voters of union boards, the number for the year under review being 5,587,326 against 5,436,808 of the previous year. The total number of members of union boards was 46,166 of which 25,889 were Muslims, 19,771 were Hindus and 506 belonged to other communities.

Elections of members and presidents of union boards, held during the year, passed off smoothly and evoked considerable interest among the rate-payers.

3. **Finance.**—The income of the union boards, including the opening balance, amounted to Rs. 114·68 lakhs against Rs. 116·21 lakhs of the preceding year. There was a fall in the income of union boards in all the districts except Howrah, 24-Parganas, Khulna, Bakarganj, Tippera, Noakhali, Dinajpur, Jalpaiguri, Pabna and Darjeeling. The receipts from the union rates decreased from Rs. 80·56 lakhs to Rs. 79·69 lakhs, of which Rs. 62·47 lakhs represented the chaukidari rate imposed under section 37(*a*) of the Bengal Village Self-Government Act and Rs. 17·22 lakhs represented the rate under section 37(*b*) of the said Act, as against Rs. 62·21 lakhs and Rs. 18·35 lakhs, respectively, in the preceding year. The contributions from Government and district boards fell from Rs. 2·45 lakhs to Rs. 1·53 lakhs and from Rs. 4·78 lakhs to Rs. 3·85 lakhs, respectively.

The total expenditure of union boards decreased from Rs. 103·46 lakhs to Rs. 99·69 lakhs, of which a sum of Rs. 51·14 lakhs or about 52·6 per cent. of the total expenditure was on the salaries and equipment of the chaukidars and dafadars. The boards spent, during the year under review, a sum of Rs. 8·36 lakhs on the construction and maintenance of village roads, of which Rs. 3·03 lakhs represented expenditure on original works; a sum of Rs. 7·70 lakhs on water-supply, of which Rs. 6·26 lakhs represented expenditure on original works; a sum of Rs. 2·54 lakhs on drainage, conservancy and other sanitary measures, Rs. 2·94 lakhs on primary education and Rs. 3·79 lakhs on medical relief.

The accounts of the union boards were audited as usual by the Circle Officers. Two cases of defalcation were reported during the year under review. In one case, the President of the Dhankail union board in the Dinajpur district was prosecuted for defalcation of Rs. 113, and in the other a sum of Rs. 182 was misappropriated by the ex-President of the Maligachha union board in the district of Pabna, for which a criminal case was reported to be pending against the sureties of the ex-President who is dead. No other serious irregularity or defalcation was reported from any other district.

4. **Activities of union boards.**—(*i*) *Communications.*—The total amount spent by union boards on construction and maintenance of village roads was Rs. 8·36 lakhs as against Rs. 8·49 lakhs of the preceding year, the expenditure on original works being Rs. 3·03 lakhs. In all the districts in the Chittagong Division, union boards spent more money on roads than on any other class of important work. As in the last year, the union boards generally directed more attention to the maintenance of existing roads in good order than to the construction of new ones.

(*ii*) *Water-supply.*—The total amount spent by union boards on water-supply during the year under review was Rs. 7·70 lakhs as against Rs. 8·18 lakhs in the preceding year. The expenditure under this head increased in the districts of Birbhum, Midnapore, Hooghly, Nadia, Jessore, Faridpur, Dinajpur, Bogra and Pabna.

The union boards in the Dacca Division generally maintained their high standard of expenditure under this head and spent Rs. 2,77,354 on this account, of which Rs. 2,39,826 represented expenditure on original water-supply works. The union

boards in the district of Mymensingh spent Rs. 1,07,665 on water-supply (Rs. 1,01,791 on original works and Rs. 5,874 on repair works). Next come the union boards in the Dacca and Faridpur districts, which spent Rs. 72,015 and Rs. 67,264, respectively, on this account.

In the Rajshahi Division, the expenditure on rural water-supply was the largest in the Dinajpur district, the total expenditure of the district amounting to Rs. 63,351.

It is to be regretted that, except in a few districts as mentioned above, the annual expenditure incurred by union boards for water-supply is gradually diminishing.

(*iii*) *Public Health.*—The total expenditure by the union boards on sanitation, including drainage and conservancy, was Rs. 2·54 lakhs as against Rs. 2·72 lakhs in the preceding year.

The activities of union boards in some districts in regard to conservancy, drainage and reclamation of silted khals deserve special mention. In the district of Howrah, a drainage project (viz., the Kendua drainage project), was taken up by the district board during the year under review in co-operation with the union boards to be benefited by the scheme, each such union board agreeing to pay a contribution of Rs. 300 to the district board.

The union boards of Balurghat, Biranpur, Parbatipur and Nischintapur in the district of Dinajpur, Jaipurhat, Santahar, Dupchachia and Sonatola in the district of Bogra, and the Ishurdi union board in Pabna maintained arrangements for conservancy during the year. The Siliguri union board in the district of Darjeeling was in charge of the conservancy of the Siliguri *hat*, for which it received a contribution of Rs. 1,010 per year from the Darjeeling Improvement Fund. The Conservancy scheme at Mainaguri in Jalpaiguri was carried out efficiently.

(*iv*) *Medical Relief.*—An expenditure of Rs. 3·79 lakhs as against Rs. 3·60 lakhs in the previous year was incurred by the union boards during the year under review for the establishment and maintenance of village dispensaries and the provision of medical relief in rural areas.

In the Nadia district, three cheap type dispensaries, known as Col. Nag type dispensaries, were started by 3 union boards and the district board paid a contribution of Rs. 125 to each of these union boards towards the expenses of these dispensaries.

During the year several new dispensaries were started and some of these dispensaries were established jointly by two or more union boards.

It is gratifying to note that union boards are now paying more attention to the necessity of rendering medical aid to rural people, and that the expenditure under this head is gradually on the increase.

(*v*) *Primary education.*—The total expenditure by union boards on primary education in rural areas amounted to Rs. 2·94 lakhs as against Rs. 3·01 lakhs in the preceding year. Expenditure on education increased in several districts, viz., Rajshahi, Dinajpur, Rangpur, Darjeeling.

In the Dinajpur district, all the union boards are reported to have spent money on the maintenance of primary schools. The Mushidhat union board in the said district maintained a technical school.

A drive against adult illiteracy was carried on in Rajshahi and Dinajpur with commendable zeal by the *Pallimangal Samities*. Many union boards in Rajshahi, Dinajpur, Pabna, Malda, Rangpur, Jalpaiguri and Bankura maintained night schools. In Malda alone as many as one hundred and fifty night schools were started during the year, and most of them were run on "Mustibhiksha" (doles of rice).

The Paba union board in the Rajshahi district did a commendable piece of work by opening a Jute Weaving School, which was visited by His Excellency the Governor.

Reading rooms and libraries were maintained by a number of union boards in the Rajshahi and Dinajpur districts.

(*vi*) *Some features of special interest.*—The union boards in the Noakhali district showed increased interest in agricultural improvements and cattle breeding. A number of union boards in the Dinajpur district paid subsidies to middle English schools at irregular intervals. Three union boards in Dinajpur, 3 in Pabna, 1 in Darjeeling, 2 in Jalpaiguri and 15 in Bogra made satisfactory arrangements for street lighting.

Rural reconstruction work was steadily pushed on with more or less success in numerous union boards. Rural uplift societies were started in many places, and with their voluntary labour a great deal of humanitarian work was performed. In Jalpaiguri two training camps, one at Patgram and another at Dhupguri, did commendable work for the training of volunteers in rural reconstruction work.

It is gratifying to note that union boards have begun to realise the necessity of providing facilities for the mental diversion of rural people. Many union boards built up sports clubs and dramatic societies.

5. **Union Benches and Union Courts.—Union Bench.**—Union benches have been established under the Bengal Village Self-Government Act of 1919 in all the districts of Bengal except Darjeeling. The total number of benches established and in existence was 1,825 against 2,166 in the previous year. The number of offences reported to these benches was 88,287, showing a decrease of 4,365 on the figures of 1939. The working

of the union benches continued to be satisfactory on the whole. They afforded appreciable relief to the ordinary courts by disposing of a fair number of petty cases during the year.

Union Courts.—Union courts have been established under the Bengal Village Self-Government Act of 1919 in all the districts in Bengal except Darjeeling. The total number of courts established was 1,490 against 1,695 in the previous year. The number of suits instituted in these courts was 55,265, showing a decrease of 9,129 over that of 1939. Of the total number of applications for disposal during the year under report under the proviso to section 88 of the Bengal Village Self-Government Act. 88 cases were either dismissed or not proceeded with. In 172 cases, the lower courts' orders were confirmed, in 23 modified and in 60 reversed and 27 cases were remanded for retrial. The union courts are reported to be popular and useful to poor litigants as affording speedy redress locally, at a very low cost. They are also reported to have given some help to Judicial officers.

6. **Relations between the District Boards and the Union Boards.**—The general relations between the district boards and the union boards continued to be satisfactory.

It is, however, to be regretted that the total grant made by the district boards, under section 45 of the Bengal Village Self-Government Act, is gradually on the decrease, the grant under this head for the year under review being Rs. 2·47 lakhs as against Rs. 3·03 lakhs of the preceding year. This represented only 14·4 per cent. of the amount raised by the union boards under section 37(*b*) of the Village Self-Government Act for measures of public utility and 26·3 per cent. of the amount of the augmentation grant received by the district boards from provincial revenues, as compared with 16·5 per cent. and 32·3 per cent., respectively, in the previous year. The district boards of Rangpur, Tippera, Bakarganj, Faridpur, Birbhum, 24-Parganas and Hooghly increased considerably their contributions to union boards under section 45 of the Village Self-Government Act, viz., from Rs. 14,347 to Rs. 19,527, from Rs. 15,793 to Rs. 20,872, from Rs. 20,594 to Rs. 23,144, from Rs. 7,141 to Rs. 11,245, from Rs. 1,520 to Rs. 3,312, from Rs. 6,788 to Rs. 9,240 and from Rs. 5,327 to Rs. 6,652, respectively. But it is regrettable to note that the majority of the district boards reduced the amount of financial assistance to union boards, the most noticeable reductions having been made by the district boards of Bankura, Midnapore, Nadia, Murshidabad, Khulna, Dacca, Mymensingh, Chittagong, Rajshahi, Jalpaiguri and Malda, viz., from Rs. 1,322 to Rs. 119, from Rs. 28,254 to Rs. 16,734, from Rs. 12,972 to Rs. 3,901, from Rs. 17,492 to Rs. 11,703, from Rs. 14,017 to Rs. 4,359, from Rs. 25,933 to Rs. 13,400, from Rs. 16,426 to Rs. 10,966, from Rs. 12,720 to Rs. 8,063, from Rs. 6,740 to Rs. 2,006, from Rs. 9,951 to Rs. 6,140, and from Rs. 5,194 to Rs. 3,625, respectively.

The amount contributed by the district boards under section 33 of the Village Self-Government Act for the management of works and institutions transferred by them to the union boards also decreased from Rs. 1·75 lakhs to Rs. 1·37 lakhs. The total income of union boards from pounds, which represents a transfer of district board revenue to the union boards, increased from Rs. 2·35 lakhs to Rs. 2·37 lakhs.

General Remarks.—The activities of many union boards during the year under review received a set-back owing to the unsatisfactory economic condition of the people in several districts which resulted from failure of crops, the low price of jute and other causes. There was a fall in the collection of union rates under section 37(*b*) of the Village Self-Government Act. The work of several union boards is also reported to have been hampered by party faction, but in some union boards the existence of a rival party is reported to have acted as a check against abuse of powers.

The year as a whole records a steady progress in all spheres of activities of union boards. The relation of union boards with the local officers, police and the district boards continued to be satisfactory. Special mention may be made of the valuable work done by the presidents of most of the union boards in connection with war efforts, census work and jute restriction propaganda. Some of them rendered signal service in counteracting malicious and panicky rumours.

The union boards appear to have done their best with the limited resources at their disposal and to have participated wholeheartedly in the rural development activities of Government. A better type of man is coming forward for the posts of presidents and members of these boards, and it is expected that the standard of work of union boards will further improve in consequence.

By order of the Governor,

S. BANERJEE,

Secretary to the Government of Bengal.

By order of the Governor,
B. R. SEN, Secy.

Agreement.

Memorandum of Agreement made this eighth day of June one thousand nine hundred and forty-three between the Indian Iron and Steel Company, Limited (a Company registered under the Indian Companies Act, 1892), and having its registered office at 12, Mission Row in the city of Calcutta (hereinafter called the Company) of the one part and the Governor of the Province of Bengal (hereinafter called the Governor) of the other part.

And whereas the said Government of Bengal, being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the piece or parcel of land hereinbefore described.

And whereas the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the Agreement with the Governor hereinafter contained. Now this indenture witnesseth that it is hereby agreed and declared as follows:—

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

7. On taking such possession, the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(*i*) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.
